

2017 Solanco Baseball HIT –A- THON June 17, 2017

Solanco Youth Baseball and Solanco Little League are joining together to conduct a Hit-A-Thon to raise money for the Solanco Relay For Life event which is being held on June 23-24, 2017 at the Solanco High School.

The Hit-A-Thon will be conducted at the Solanco Little League Complex on June 17, 2017 and will begin at 10:00 AM. Players participating in the event will be 8-14 years of age.

We all know someone who currently has or has had cancer, or someone whose family has been affected by cancer. It is a horrible disease. You are never too young to help make a difference in the fight against cancer. For our kids there is no better way of doing this than doing what they love to do...play baseball.

Here is how the Hit-A-Thon works:

Each player will have a donation form and will be encouraged to ask their friends, family and neighbors to sponsor them for the event. The pledge levels are \$.01, \$.05, \$.10, \$.25, \$.50, and \$1.00 per foot.

Each batter will hit eight balls (only balls hit in fair territory are counted). The distance that each ball travels **in the air** (from plate to where it lands) will be recorded. A cumulative distance for all the measurable balls will be determined, and the total donation due will be the cumulative distance multiplied by the per foot donation that was pledged. For example, if you pledge \$.25 per foot and the player's hits total 200', your donation would be \$50. **NOTE: The maximum measured distance per ball hit is capped at 200'.**

Donors may also choose to make an *Instant Donation*. This is a flat donation to the player in the minimum amount of \$10.00.

Please help all of us raise money for a great cause and have a great time while doing it! We hope to see you on June 17th to support and cheer the players on at the Hit-A-Thon. Also, don't forget to check out the Solanco Relay for Life event on June 23-24th.

If you have any questions, please contact John Groff or Ken Crank as noted below. Please help us make a difference!
