CONCESSION STAND

PLEASE READ: Due to the lack of volunteers in the concession stand, the SLL Board is considering two options and we want the opinions of parents;

The first option is closing the stand this spring and bringing in food trucks. If we do this, there will be an additional \$50 added to the registration fee that will be collected prior to the start of the season to compensate for loss of revenue to the Little League. The concession stand has always given us our greatest revenue each year but there is many times we have no help to run it.

The second option would be collecting a \$50 check from each family prior to the start of the season. We would not cash the check unless you do not volunteer for one day to help in the concession stand throughout the season.

Unfortunately year after year, when a team is assigned a night in the concession stand, the coach, coach's wife and team mom are generally the ones volunteering to cover the shift when they are already going above and beyond for the team. We as a board are working hard on trying to come up with a plan to avoid this. Again, if the stand stays open and you volunteer one shift, the \$50 check will never be cashed.

Please circle below which option you would prefer.

*Close the stand and add \$50 to registrations

*Keep the stand open and only charge \$50 if a one day fulfillment isn't met
