SYB / SLL HIT-A-THON

Players Name:_____

Each batter will hit eight balls (only balls hit in fair territory are counted).

The distance that each ball travels in the air (from plate to where it lands) will be recorded.

A cumulative distance for all the measurable balls will be determined.

The total donation due will be the cumulative distance multiplied by the per foot donation that was pledged.

For example, if you pledge $.25 per foot and the player's hits total 200', your donation would be $50.
NOTE: The maximum measured distance per ball hit is capped at 200'.

Pledge Levels: .01 / .05 / .10 / .25 / .50 / $ 1.00 **Total Distance** _____

PROCEEDS FROM THE HIT - A - THON WILL BE DONATED TO THE SOLANCO RELAY FOR LIFE
